# Learning Through Play

Start School Right! Conference

A one-day event for parents, educators and child-focused professionals presenting information on preparing children for school and how to use play as an effective tool in educating young children.

More than 60 sessions on Child Development, Health, Education, Diversity & Parent Support and Education!

Program offerings and registration details available Feb. 2 at [www.cincymuseum.org](http://www.cincymuseum.org)
