

Eye-Dropper Painting

Target Age:

Middle Two-Year-Old

Materials You Will Need:

eye dropper, food coloring, white construction paper

Skills Learned:

- * Cause and Effect
- * Creative Expression
- * Visual Stimulation

Activity Category:

- * Science Adventures

Activity Contributor:

Beth Bronsil, M. Ed.

What To Do:

Encourage your child's artistic side with this fun activity! Mix a small amount of food coloring with water, using two to three different colors. Show your child how to use the eye dropper to "paint" on a piece of construction paper. Ask your child to show you which color is red, yellow, green, etc.

Variations:

Your child will enjoy displaying the artwork for all to see.
