

Do you know how the State of Ohio's 2010 Budget will affect your center?

4C, United Way of Greater Cincinnati, and Cincinnati Early Learning Centers invite you to attend a briefing and work session on Ohio's FY 2010 budget and the implications for your center. Join us and learn about these potential changes and what you can do to influence the state budget.

Discussion will include the following issues:

- parent eligibility levels might be lowered
- more children will be classified as part time instead of full time
- ELI is likely to decrease significantly
