Contact 4C for other local camp options in your area.

4C believes that parents are best able to choose and evaluate child care options to meet their children's specific needs. Responsibility for selection of child care rests with each parent. A 4C referral does not imply a recommendation. We urge parents to interview carefully, to check references thoroughly, and to monitor care once an arrangement has been made.

For more information: call 4C (937) 220-9660 ext. 6200

or log onto www.4cforchildren.org
