

Clay

Target Age:

Middle Two-Year-Old

Materials You Will Need:

plastalina clay

Skills Learned:

- * Eye/Hand Coordination
- * Creative Expression
- * Pre-Writing
- * Tactile Stimulation

Activity Category:

- * Sensory Experiences

Activity Contributor:

Beth Bronsil, M. Ed.

What To Do:

Plastalina clay (soft clay) can be found at most art stores and will introduce a new art medium to your child. It has a different texture from play dough and it never hardens!

Let your child play with this clay for a long time. Clay is a calming activity for your child and it develops fine motor skills.
