

Matching

Target Age:

Early Two-Year-Old

Materials You Will Need:

matching cards

Skills Learned:

- * Matching
- * Visual Discrimination
- * Counting Concepts

Activity Category:

- * Language/Pre-reading

Activity Contributor:

Beth Bronsil, M. Ed.

What To Do:

Matching is an important pre-reading skill for your child. You can purchase matching games or use a deck of playing cards for this fun activity. (Begin with six cards, three matching sets). As you turn each over, if it matches, you can place it in a separate stack and say, "This is the same card. It matches!" As your child's interest develops, you can add more sets of cards to the deck.
