## What To Do:

Invite your child to play this letter and sound game! Check to see which letters your child knows by name and sound and write one per post-it note. Stick the notes all over the furniture, shelves, walls, etc. in as many rooms as you'd like. Give your child a letter name or sound and send your child on a search to find that letter.

Alternatively, give your child the name of an object and see if your child can find the corresponding letter.
