Child Care Programs

2020 Goal: 1,109 SUTQ Rated Child Care Programs

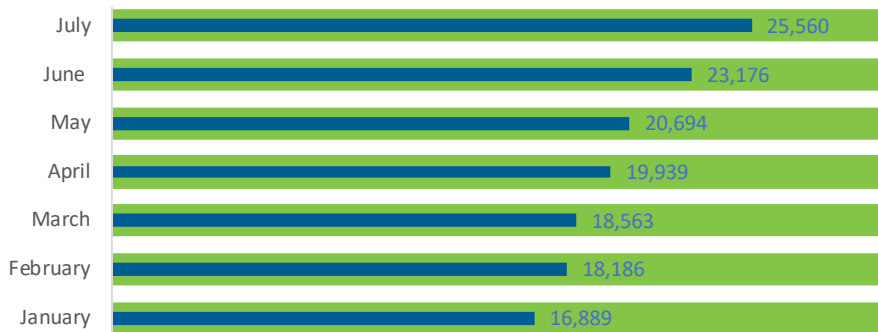

SUTQ Rated Programs

Serving families receiving state assistance to help pay for child care.

Children Impacted

2020 Goal: 31,000 in quality child care

Children Impacted

Children in quality child care whose families receive state assistance to help pay for child care.

4C for Children's Ramping Up For Quality Campaign will help ensure that our community's youngest minds receive quality child care. The campaign dollars will support training and coaching networks of child care providers ahead of a June 30, 2020, deadline. This deadline requires Ohio child care providers serving families that receive state assistance for child care to be quality rated in Ohio's Step Up To Quality (SUTQ) rating system.
