

Learn Through Play 2021

November—Preschool

<i>Sunday</i>	<i>Monday</i>	<i>Tuesday</i>	<i>Wednesday</i>	<i>Thursday</i>	<i>Friday</i>	<i>Saturday</i>
	1 Read with your child for 15 minutes today—and every day.	2 Cut yellow pictures from magazines and make a yellow collage.	3 Let your child pick out a favorite book and have them read to you in their own words.	4 	5 Pretend to be a leaf falling off a tree and blowing around in the windy, cool fall weather.	6 Practice saying please and thank you to each other.
7 Look at a map to show where your relatives live.	8 Name five things you love about your home.	9 Read a book about being grateful, such as "Splat the Cat says Thank You."	10 Drop paint onto paper. Fold in half, rub across paper, unfold.	11 Rake leaves together as a family!	12 String straw sections on shoelaces to make necklaces.	13 Encourage older children to read to younger children or to you.
14 Set up a sorting activity using different colored or sized objects to sort.	15 Have a "green" day. Wear green, find green in your house, eat green foods!	16 Play games with bean bags. Balance them on your head and shoulders for a challenge walk!	17 Before reading a book for the first time, ask your child what they think the book is about. Talk about the picture on the cover.	18 Sing songs that have action movements in them like jumping/dancing.	19 Ask your child what rhymes with the word "stop!"	20 Allow your child to help prepare meals by cutting soft fruits, setting the table, etc.
21 Place note cards or small pieces of paper with pens in a basket for children to write letters to friends and family.	22 Count the characters in your child's favorite books.	23 Have your child tell you a story. Write it down for her, then have her illustrate it to create her very own book.	24 Go for a walk and collect rocks. Sort the rocks into piles when you get home.	25 	26 Give your child small shakers, maracas or bells to shake while singing.	27 Ask your children what they are interested in. Find books at your library about their favorite things.
28 Provide natural materials such as small twigs and leaves for children to make art projects.	29 Record your child singing or talking. Then watch or listen to it together.	30 Choose your child's favorite activity and repeat.
