4C for Children is the region's premier resource and advocate for high-quality early childhood education and care. 4C for Children, a non-profit agency, is part of the statewide system of child care resource and referral agencies funded by the Ohio Department of Job & Family Services (ODJFS) and other federal and local funders.

Family child care providers can:

• Receive support for your family child care home through 4C coaching
• Sign-up for 4C's monthly e-newsletter, Pathways
• Access to 4C's training calendar to assist with SUTQ specialized training hours
• Receive child care referrals from 4C when parents call or complete an on-line search for locating child care.

Child Care Information Data System

www.ccidsportal.ohio.gov/login.jsf

Username_____

Password_____

The Ohio Child Care Information Data System (CCIDS) is a statewide automated system for publicly funded child care (PFCC). CCIDS automates the payment and eligibility process for all participants in Ohio's PFCC program.

KidKare
by Minute Menu™
www.kidkare.com

Username _____

Password _____

KidKare was built to make your life easier. It is used by family child care providers across the United States to record menus and attendance, manage child information, prepare taxes, invoice parents, prepare lesson plans and so much more. It is the premier child care management software for home-based family child care businesses.

For more information about KidKare, contact your Child Nutrition Program specialist at 4C for Children.

Ohio | BOLD BEGINNING!
www.boldbeginning.ohio.gov

Bold Beginning! provides "one-stop shopping" for information on early childhood in Ohio.

Programs and family child care providers can:

- Access the Ohio Early Learning & Development Standards (ELDS)
- Find SUTQ resources such as program standards, guidance documents, forms, webinars,
- Sign up for email updates to stay informed on what is happening at the state level
- Purchase additional SUTQ marketing materials
- Find the "Who to Call When" contact list that includes ODJFS licensing, SUTQ licensing specialist, resource & referral, and more

Welcome to the Ohio Child Licensing and Quality System!

oclqs.my.site.com

Email _____

Password _____

The Ohio Child Licensing and Quality System (OCLQS) website is used for licensing and amendments. Programs must keep their information updated in OCLQS. It is also used by the Ohio Department of Job and Family Services (ODJFS) and the Ohio Department of Education (ODE) for programs to submit an initial registration, renewal, or change of rating for Step Up To Quality (SUTQ).

OCCrra
www.occrra.org

The **Ohio Child Care Resource and Referral Association** (OCCRRA) helps child care programs and professionals as well as families locate helpful resources.

FCC providers can access:

- Administrator Core Knowledge & Competencies Self-Assessment
- Ohio Professional Registry information and documents
- Documents to support your program including infant, toddler, preschool and school- age specific information

Ohio | Department of Job and Family Services

jfs.ohio.gov/cdc/childcare.stm

SUTQ Licensing Specialist (SULS)

Name _____

Phone _____

Email _____

The **Ohio Department of Job & Family Services (ODJFS)** is the largest agency in the state and is responsible for supervising the state's public assistance, workforce development, unemployment compensation, child and adult protective services, adoption, child care and child support programs.

ODJFS' Bureau of Child Care and Development and the Ohio Department of Education's (ODE) Office of Learning and School Readiness created SUTQ to improve the quality of early care and education programs in Ohio.

ODJFS is the SUTQ verifying agency for ODJFS licensed programs.

Ohio Professional Registry
and
Ohio Professional Registry Organization Dashboard

OPIN _____

Email _____

Password _____

The **Ohio Professional Registry** is a centralized information system for early childhood and afterschool professionals. Individuals track professional growth and development and are recognized for their experience, education, credentials and training.

Once information is entered into the Ohio Professional Registry and documentation uploaded for verification to the Ohio Child Care Resource & Referral Association (OCCRRA), a career pathway level (CPL) is awarded.

PD Track is the online tool that allows professionals to search and register for statewide trainings delivered by multiple agencies. Trainings taken through PD Track are automatically linked to a profile on the Registry.

The **Organizational Dashboard** allows you to access employee/staff registry information through your own registry profile.
