

Let's Talk Parenting: A Business Solution

When employees experience parenting challenges, the resulting stress can filter into all aspects of their lives. Parent-related stress costs employers millions in the form of missed days and reduced productivity.

4C for Children's Let's Talk Parenting Sessions are great for employees, their kids and your bottom line!

Led by our early childhood specialists, these sessions help the adults who fill parenting roles in the lives of children improve relationships with their children and empowers them both in and out of the workplace.

Invest in Your Employees

Partner with 4C for Children and offer these one-hour sessions as part of your business benefits package. At each session employees will tap into practical tools and strategies to help them become less stressed and distracted by parenting problems and more confident and productive in the workplace.
