Supervision includes awareness of and responsibility for the activity of each child and being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

- (B)What are the requirements for supervision of school-age children?
- (1)School-age children may run errands inside the building, use the restroom, or engage in a short term activity which poses no physical risk to their safety alone or in groups of no more than six children without adult supervision as long as the following conditions are met:
 - (a)Children are within hearing distance of a child care staff member, without the use of electronic equipment.
 - (b)The child care staff member checks on the children who are in kindergarten through third grade at least every five minutes until they return to the group.

 - (d)The center has exclusive use of the child care space being used by the children.
- (2)With written parent permission, school-age children may leave the center for specific activities.
 - (a)These activities include:
 - (i)Walking to and from the center or school.
 - (ii)Walking home or to another destination.
 - (iii)Participation in activities inside the building that are sponsored by another group.

- (b)The written permission shall specify:
 - (i)Child's name.
 - (ii)Location of the activity.
 - (iii)Arrangements for going to and from the activity.
 - (iv)Start and end time of the activity.
 - (v)Time period for when permission is given.
 - (vi)Parent's signature and date.
- (C)What are the child guidance techniques to be used in the licensed child care center?

 - (2)The center shall communicate and consult with the parent prior to implementing a specific behavior management plan. This plan shall be in writing and signed by the parent and shall be consistent with the requirements of this rule.
 - (3)When a child is expelled from the center for a behavioral reason, the expulsion is to be reported in the Ohio child licensing and quality system (OCLQS) in accordance with paragraph (G) of rule [5101:2-12-16](#) of the Administrative Code.
