## WE'RE HERE TO HELP!

Whether you want to achieve a quality rating or further your early childhood knowledge, 4C for Children is the go-to resource for support. We offer a variety of professional development opportunities to meet the needs of early childhood professionals in Southwest Ohio and the Miami Valley.

## COACHING

**4C for Children provides many different types of coaching supports to child care providers to enhance the quality of care for children, with many offered free of charge. From individualized private coaching to group technical assistance, 4C has a coaching plan to meet your needs.**

- **Age-specific (infant, toddler, preschool, school-age, mixed-age group) coaching.** Enhances existing skills and knowledge while helping to develop new skills.
- **Business coaching.** Expands and strengthens a program's business practices and financial stability.
- **Leadership coaching.** Focuses on program strategies to enhance the quality of care for children.
- **Ohio Step Up To Quality coaching.** Walks providers through every step required in achieving a rating in Ohio's quality rating system.

## DIRECTOR/FCC NETWORKS

Looking to connect, share ideas and grow professionally? The 4C for Children Director Networks and Family Child Care Provider Networks are county-based, recurring meetings led by 4C specialists. Great teaching starts with great connections! A full list of meetings, locations and times can be found at [4cforchildren.org/directors-and-fcc-networks](http://4cforchildren.org/directors-and-fcc-networks).

# TRAINING

4C for Children provides exceptional training to help early childhood professionals advance their skills, programs and careers. No matter your need, we can help you tap into the most relevant continuing education and training opportunities available.

- **Ohio Approved training.** Offers opportunities to learn from highly-qualified instructors who deliver state-approved professional development at 4C training locations or virtually.
- **CPR+AED and Basic First Aid.** Meet licensing requirements for CPR+AED and First Aid certification with ASHI-certified instructors.
- **Child Development Associate (CDA) credential.** Work toward receiving the nationally recognized credential in early childhood education. Participants in the 4C for Children's CDA program can earn up to 120 hours of Ohio Approved credit. Scholarship opportunities may be available.
- **Developing Early Childhood Leaders (DECL).** Helps early childhood program leaders develop and strengthen leaderships skills during a 10-month seminar series.
- **Leadership and Early Childhood Conference.** Delivers premier early childhood keynote speakers and workshop sessions on the most relevant topics every year.
- **Private training.** Offers the opportunity to have training specifically targeted to meet the needs of your staff at your location.
