

**COSTARS**  
EARLY CHILDHOOD SERVICES

## Growing Stars Therapeutic Child Care Network

A new resource for Hamilton  
County child care providers  
funded through a grant from  
Ohio's Department of Children  
and Youth.

Across Hamilton County, early childhood educators are facing increasing social-emotional and behavioral challenges among young children. The Growing Stars Therapeutic Child Care Network is here to help with hands-on support, training, and resources designed to meet these needs head-on.

### What Growing Stars Offers:

- **Training for Educators & Leaders:** Learn RCFP principles including trauma-informed care, motivational interviewing, and family engagement.
- **Classroom Observation & Coaching:** Receive on-site support and guidance for teachers navigating challenging behaviors using proven, trauma-informed strategies.
- **Screening & Resource Coordination:** Get help identifying and connecting children with emotional or behavioral health needs to the right services and supports.
- **Therapeutic Child Care Placement:** For children ages 2½ - 5 who are struggling in typical child care settings, referrals can be made to therapeutic classrooms at CoStars Early Education.

### Who's Eligible?

Licensed child care providers in Hamilton County — including centers, private preschools and licensed family child care homes.
