A CNP specialist will follow up with you and then schedule your enrollment visit. Your first payment arrives the next month!

WHAT CNP OFFERS

Participating in the CNP benefits children, families and you.

- Improved nutrition for children's growth and development
- Reduced food insecurity by providing nutritious meals and snacks in the child care setting
- Reimbursed costs that improve your business' quality of care by freeing up money for other expenses and paying yourself
- Free, easy-to-use online record keeping

WE'RE HERE FOR YOU

4C for Children's team of CNP specialists provides resources, training, and technical assistance to providers, helping them to better understand and implement the program's requirements and best practices.

Note: Reimbursements are based on the number of children in care during meal and snack times, days of attendance, operating hours and federal reimbursement rates.

PARTICIPANT INSIGHTS

'My career in child care has been deeply impacted by 4C's incredible support and resources. One of the most significant ways 4C has helped is through their food program. They've been more than a resource, they've been a true partner in my journey, helping me grow, serve my community and pursue my vision with strength and hope.'

Keneice White, Keneice's Loving Arms Child Care

'The food program helps my business. It provides funding to help feed the children I care for and offers valuable resources that make caring for them more rewarding. I also have a team at 4C that I can call for any kind of resource or advice that help me grow as a person and a business.'

Sarah Raider, Family Child Care Provider

'Participating in the CNP has been a tremendous support for my in-home child care. ...This program has helped ease the financial burden while ensuring that the children receive healthy, well-balanced meals and snacks each day.'

Kenyetta Hightower, My 2nd Home Childcare
